

ROOM AND BOARD CHARGES

Clarendon College operates five air-conditioned residence halls. Knorpp Hall is designated for women. Vaughan and Phelan Halls are designated for men. Regents and Southwest Halls feature apartment-style units. Due to the popularity and uniqueness of Regents and Southwest Halls, the Vice President of Student Affairs may establish special criteria for students who want to live in these halls.

Clarendon College's meal plan includes 19 meals per week: three meals a day, Monday through Friday, and two meals each on Saturday and Sunday. All students living in Clarendon College residence halls are required to participate in the meal plan.

Room and Board charges are due in FULL on or before the first class day.

Housing

A non-refundable housing application fee of \$100 is required to reserve a room. The application fee is refundable for cancellation, which is in addition to the residence hall charges, up to August 1 for the Fall term, and December 1 for the Spring term.

Clarendon College will, if requested, help students who were formerly under the conservatorship of the Department of Family Protective Services find housing between regular long semester terms.

If a student withdraws from the College prior to the end of the term, no refunds are made for room and board charges, as the College has no opportunity to rent the room or recover projected meal plan revenue once the semester begins.
