WORK EXPERIENCE

2024 – Present Clarendon College

- **Adjunct Professor**
- Remotely coordinate and provide the nursing curriculum within the LPN to RN program. Utilize the e-learning platforms to deliver video lectures, upload and assign reading materials, and write the corresponding quizzes and tests.
- **RNSG 2231:** Advanced Concepts of Adult Health (Lecture)
- **RNSG 2213:** Mental Health Nursing (Lecture)
- **RNSG 1343:** Complex Concepts of Adult Health (Lecture)

2023 – Present Cuyahoga Community College

- **Nursing Program Director**
- Oversees and manages the organization, administration, periodic review, planning, development, and general effectiveness of the nursing program.
- Directly manage all full-time and adjunct faculty including hiring, supervising, and performance evaluations.
- Help to guide, advise, and evaluate all 923 nursing students throughout all levels of the nursing program.
- Prepares academic and clinical schedules, along with making appropriate faculty assignments.
- Systematically tracks and evaluates all academic and clinical courses throughout the semester.
- Prepares data and provides input related to program accreditation, Ohio Board of Nursing annual reports and site visit reports by ensuring all standards are met.
- Maintains communication with college and clinical affiliate liaisons to inform, manage and resolve programmatic concerns.
